SOUTH SHORE LIGHTNING

LAND & COMMUNITY PARTNERSHIPS

Help us find our future home.

Proposed multi-use recreation facility | November 2026

Preferred location

In Bridgewater or within 10 km of the Bridgewater area.

Approximate land area

2-3 acres, with suitability to be assessed through site and facility planning.

Services and amenities

Prefer close proximity to municipal services and community amenities. Servicing availability, capacity and connection feasibility must be confirmed.

Partnership options

Land donation, long-term lease or shared-site arrangements. Planning expertise and a building naming sponsor are also welcome.

What to share

Property location, approximate acreage, ownership or authority to discuss it, known servicing information and your preferred partnership arrangement.

Current priority: land and planning partnerships. No site is secured and no final design, construction budget or opening date is announced. All opportunities are subject to site review and agreement; naming sponsorship terms will be negotiated separately.
